

Association Tunisienne
des Nanomatériaux et Applications

Third Edition

nano MAT 2022

**International Conference on Nanomaterials
and Applications**

4 – 6 November 2022, Hammamet, Tunisia

Topics:

- 1 . Nanomaterials : Synthesis, Characterization and Modeling**
- 2 . Nanomaterials for Energy, Environment and Catalysis**
- 3 . Nanomaterials for Electronics, Photonics and Magnetism**
- 4 . Nanomaterials for Bio-sensing and Applications**

Key Dates:

Abstract submission deadline : 10 September 2022

Notification of acceptance : 30 September 2022
